The two all-day clinicians will present papers on the most rapidly changing concepts of clinical dentistry. You cannot afford to miss these internationally renowned clinicians. A trip to Camp Borden has been re-scheduled this year by popular request.

Dr. Stirling and his committee have completed plans for the Winter Clinic. I am certain this event will meet the Academy's high standard of excellence.

SECRETARY'S REPORT — 1967-1968

Under the direction of Dr. Gordon Marshall, our President during the past year, the Academy continued to provide its members with a program that was both stimulating and entertaining.

The year was off to a fine start with the Annual Golf Tournament, held at the Bayview Country Club. Although the weather held the attendance down, those present had a fine day, enhanced by good fellowship and good eating. Our thanks to co-chairmen George Richards and Roy Schweizer for their excellent management of the tournament.

On October 26th, the Academy held its Annual Opening Dinner. The speaker of the evening was Dr. Omond Solandt, Chancellor of the University of Toronto. In our Centennial Year we were honoured by the presence of a second head table at which we honoured our Past Presidents. Dr. George Vernon Fisk and Dr. Irvin Ante, Sr., were presented with Honorary Life Memberships.

November 10th was the date of the Annual Dinner Dance. It was again held at the Rosedale Golf Club and this year was under the capable direction of our Past President, Dr. Morley Hardy. The evening was an outstanding success.

A few weeks later, Bert Levin put on another outstanding Winter Clinic, Edward Dunlop, M.P.P., was the luncheon speaker and Dr. Wesley Munsie, President of the Canadian Dental Association was the dinner speaker.

Gordon Marshall arranged three worthy stated meetings. The first meeting, at the Inn-on-the-Park, featured Dr. David Shelby of New York City. The second meeting, held at the Royal York Hotel, was an afternoon and evening session with Dr. R. E. Jordan and Dr. D. S. Moore, both from the University of Western Ontario, presenting the essays. The third meeting was an interesting and informative trip to Camp Borden. The program was put on by the Canadian Army Dental Corps.

The Curling Bonspiel was held at the Thornhill Curling Club on March 6th. Morley Hardy with Paul Hutz as his co-chairman once again arranged a successful day.

Throughout the year the Toronto local societies held a variety of meetings, clinics, tournaments, dances, etc., which blended in with the Academy program and helped provide an extremely well balanced and successful year.

In concluding we would like to mention the members of the Academy Council who worked so unselfishly on the many committees of the Academy. Our thanks to Don McKee who handled the publicity, Bill MacKenzie for heading the Referee Board on Dental Care, Bernie Crystal who edited the Year Book, Jim Hing, for once again conducting the Dental Assistants' Course, Geoff Smith, Chairman of Study Groups, Housing and Equipment, Warren Heaslip for arranging the Emergency Service Roster and John Pepper for working on Public Relations and Fellowship. Special mention should go to Bruce Hord who continued to handle the arduous task of Mediations and to Walter Godsoe, who had the difficult job of Chairman of the Dental Division of the United Appeal Campaign.

It was a sad year for the Academy in that two of our very recent Councillors, Rick Bell and Bill Schwetz passed away. They are sadly missed by all of us.

Before ending this report, our appreciation to Mrs. Rosina Jones, Executive Secretary for the Academy who has worked so hard to make our jobs easier.

Respectfully submitted,

REFEREE BOARD ON DENTAL CARE

During the year ending May 15, 1968, eleven high school students had their dental work paid for by the Ladies' Auxiliary to the Toronto Academy of Dentistry. The fees paid to local dentists for this treatment amounted to \$1,020.00. An additional nine students are still under active treatment. Their dental fees will be approximately \$1,200.00.

Dr. H. S. Grey, Director of Dental Services for the Toronto Department of Public Health, very carefully selects the students who are to receive dental care. He makes sure that only the most deserving cases are accepted. Even with an unlimited budget, it would not be possible to help all those who require treatment.

The Ladies' Auxiliary deserves the highest praise for this worthy program which it has sponsored for many years. The students selected desperately need extensive dental treatment and have no hope of getting it by their own efforts.

Members of the Dental Profession can further the work of the Ladies' Auxiliary by supporting the two main fund raising projects which they organize—the scrap amalgam drive and theatre night. This year the Ladies are sponsoring “FUNNY GIRL” at the Odeon Fairlawn Theatre on Wednesday, October 30, 1968 — PLAN TO ATTEND.

MIET A. KAMIENSKI,
Chairman,
Referee Board on Dental Care.

EMERGENCY SERVICE

The Emergency Service has had another busy year and the number of patients using it has again increased. Some changes were made in an effort to keep the service running in an efficient manner.

We wish to extend our sincere thanks to all the dentists who participated in the service and to Mrs. Jones, the Academy Secretary, for her help in making this project a success.

Respectfully submitted,
WARREN L. HEASLIP,
Chairman.

DENTAL ASSISTANTS' COURSE

Upon the completion of the 1968-69 Dental Assistants' course, we are happy to announce that of the 92 applicants, 74 were successful; and that 17 of these girls graduated with honours. Special congratulations are in order to Judith Shields and Annete Mayr, winners of the Academy of Dentistry Prizes.

The Academy would like to express our appreciation to all the lecturers for their time, consideration, and co-operation in helping to make this year's course a success. We would also like to thank Mrs. R. Jones, Secretary, and Mrs. D. Ferguson, Co-ordinator, for their invaluable assistance in organizing the course.

Respectfully submitted,
JAMES T. HING,
Chairman.

REPORTS

MEDIATIONS COMMITTEE

In January 1968 the structure of the Mediations Committee was changed in an attempt to improve the function of this public relations service.

Each of the local societies undertook to form their own district committee, and became responsible for the mediation of cases involving dentists practicing in their geographic area.

There has been a marked decrease in the number of cases compared to that of the past year. The co-operation of all Academy members will enable this trend to continue.

Respectfully submitted,
A. BRUCE HORD,
*General Chairman,
Mediations Committee.*

<i>Year</i>	<i>No. of Captains</i>	<i>No. of Donors</i>	<i>No. Eligible</i>	<i>Total Donations</i>	<i>Average Gift</i>
1966	726	882	\$33,315	\$45.85	24
1967	761	950	\$34,900	\$45.86	20

Due to an increase in the number of dentists in Toronto, the Dental Division achieved a new record in dollars collected. This fact should not make us unduly proud as our average gift actually decreased, and remains the lowest among the professional group. The dental contribution could be immeasurably increased if all dentists gave serious consideration to the worthiness of the United Appeal and then donated a *thoughtful* gift.

A thoughtful gift! What is it? For everyone, depending on circumstances, it is different. At the present time there appear to be many nominal donors among the dental section. Please think about YOUR United Appeal donation. My sincere thanks to all Captains and canvassers who contributed both time and money to a very worthy cause.

My special thanks to Jack Linghorne, this year's vice-chairman, for a job well done. I know that next year he will appreciate as I have, any assistance that is offered. Please phone and volunteer if possible.

W. M. GODSOE,
Dental Section Chairman,
1967 United Appeal Campaign.
